**CAMP DAY/LENGTH OF STAY**

Campsite check-in time is 1:00 PM. Cabin check in time is 2 PM, check out is 11 AM. The camp day is from the time of arrival, until 12:00 noon on day of departure. The maximum length of stay in any inland state campground is fourteen consecutive days. At Hammonasset Beach and Rocky Neck State Parks, the maximum length of stay is twenty-one consecutive days. Following each stay, regardless of duration, a five day interim period is mandatory for all members of the camping party. Campers may not move to another camping area within the same park or forest during the interim. The camp areas within Pachaug State Forest and Hopeville Pond, Kettletown and Black Rock State Parks, shall be considered one campground.

**CAMPING PARTY**

The maximum number of people per campsite is six (6). However, a camp registrant may occupy a campsite with all his/her children under 18 years old, for the basic campsite fee regardless of the total number of family members.

**MINORS**

Minors (under 18) must be accompanied by an adult in attendance, who accepts responsibility for the camping party. A camping permit cannot be issued to anyone under the age of 18 years. Only adults 21 or over may rent cabins.

**OCCUPANCY**

Occupancy of the camp lot is required within the first 24 hours. A campsite unoccupied during this initial period is declared an open site and will be reassigned with all payment forfeited. If you are unable to arrive the first night, please telephone the campground. Campers arriving after 10:00 PM will be required to set up in a temporary area until the following morning. Transferring or subleasing campsites is strictly forbidden.
